

ACROLINK

99.99999% Cu Stressfree Interconnect cable

7N-A2200III

Conductor: *D.U.C.C Stressfree 7N Cu 0.18ø x 34 strands*

Insulation *High molecule polyolefin*

Inner sleeve: *High molecule polyolefin*

Shielding: *Copper foil + 4N5 OFC parallel shielding*

Outer sleeve: *High molecule polyolefin*

Conductor resistance: *19mΩ/m*

Electrostatic capacitance: *99pF/m*

Cable diameter: *9.0mm*

RCA plug

Center contact pin: *Hollow shaped Tellurium copper*

Cold side: *Phosphorus copper*

Plating: *Direct rhodium plating*

Outer cover: *Brass machined out from solid material*

XLR connector

Male side contact pin: *Brass machined out from solid material*

Female side contact pin: *Beryllium copper*

Plating: *Direct rhodium plating*

Outer body: *Zinc*

★Standard length for RCA will be 0.6m, 1.0m, 1.5m and 1.0m, 1.5m for XLR
